

# Meet Pastel Scales

Best known as your *Empowerment Strategist, Mindset Advisor, and Educator*; Pastel Scales is an inspiring resource dedicated to supporting the personal growth and development of individuals and families seeking to achieve and maintain self-sufficiency in all aspects of life.

Over the years, she has built a reputation for transforming her clients' vision into a reality, combining a wealth of resources and innovative strategies. She continues to help individuals and families lead a way to a brighter future by exposing them to greater opportunities, and exploring new paths to success. She is motivated by ensuring that my clients are prepared to succeed. Therefore, she goes the extra mile to help her clients take the next step in the right direction.

As a graduate from Clarion University with a Bachelor's Degree in Rehabilitation Science and Human Service, Pastel's expertise emerges beyond the classroom through hands-on experience- staying engaged with the community, legislative policies, and financial advancement opportunities, to keep her clients aware of all of their options.

And she won't stop there! As a helping hand to her clients' success, Pastel tailors personalized strategies for each individual and work to help them make the necessary transition.
